### VOTING RIGHTS

## Call Day In support of Voting Rights - Wednesday, Feb 28th

This Wednesday, February 28th, is our "Call Day" in support of Maryland voting rights, specifically, SB1048 - Secure and Accessible Registration Act (SARA). Please take a few minutes during the day on Wednesday

to call your state senator and ask them to support this bill which is being considered during the current legislative session and will be discussed during the Education, Health, and Environmental Affairs (EHE) Committee Hearing on Thursday, March 1.

**Secure and Accessible Registration Act (SARA) – currently, when Marylanders interact with covered agencies (Motor Vehicle Administration, Maryland Health Benefit Exchange, local departments of social services, etc.) they must go through a separate step to re-input their data in order to register to vote. This bill will streamline that process and change it from an “opt-in” process to an “opt-out” process.**

**It is really important if you are in District 9, to call because Gail Bates sits on this committee.**

## **DISARM DOMESTIC ABUSERS**

The Senate Hearing for SB1036 is this Wednesday (2/28) in Annapolis. Call your Maryland State Senator before Wednesday asking them to support [SB 1036](#), a bill that will save Marylanders' lives by **disarming convicted domestic abusers**. SB 1036 requires a court to inform a defendant convicted of a certain offense that the defendant is prohibited from possessing a certain firearm under certain provisions of law. **District 9 folks - We need to light up Senator Gail Bates phone lines in the next three days! If you get voicemail, be sure to leave your name, address and bill # in order for your call to be counted**

## IMMIGRATION

### **Tell your congressmen to support MD DREAM Act: (SB546 & HB 1536)**

**In 2012, Maryland voters stood up for immigrant students and passed the MD DREAM Act referendum. This bill expands the MD DREAM Act by ensuring that students who attend a Maryland high school for three years before graduating, continue to be able to access public universities and colleges at the in-state tuition rate - regardless of the outcome of the current debate over DACA in Washington. Even if Congress doesn't stand up for DREAMers, let's make sure Maryland will! Please contact your representatives to advocate for our MD Dreamers today!**
