[Voter Registration Drive in April](#)

A coalition of several Howard County progressive groups, including IndivisibleHoCoMD, is organizing a door-to-door voter registration drive in Columbia's Harper's Choice Village each Saturday in April. We are focusing on rental communities where there may be newcomers who are not registered, and will also encourage them to vote in the June 26th Primary Election. Help us ramp up voter turn-out and create the Blue Tsunami!

Dates: April 21 and 28

Time: 10:45 AM

Address: We will meet at the Starbucks in Wilde Lake Shopping Center and canvass from there.

Helen Tai for State Representative

Canvassing and Postcards for Helen Tai **May 15th Special Election in Bucks County, PA**

On May 15th, there will be a special election for a State House seat in Bucks County, PA, just over a 2 hour drive from central Maryland. The Democratic candidate is **Helen Tai**. You can read more about her priorities [here](#). Trump carried her district (House District 178) by just 3 points in 2016, so this is a great opportunity for us to help a progressive Democrat flip another seat.

Here's how you can help:

Canvassing:

The Tai campaign is canvassing every weekend and they are flexible about timing. We recommend arriving around 10:30, knocking doors for a few hours, and then heading back to Maryland in the mid/late-afternoon. If you'd like to canvass, please sign up [here](#) and we will be in touch with more details. As always, we will do our best to arrange carpools and to pair up new and experienced canvassers. We will be canvassing on both **Saturday, April 21st** and **Saturday, May 5th** and would love to see you there!

Postcards:

Every registered Democrat in her district has received a postcard!

Environmental Action Team's "Resister Sisters" Spearhead "Solutions for Plastic Pollution"

In a great example of collaboration with other like-minded organizations, our favorite "Resister Sisters," Pat Hersey and Alisa Niefeld-Batiz, are leading a terrific new Howard County initiative to reduce plastic waste. Come visit their table at this Saturday's "Greenfest" at HCC and see for yourself why their

efforts are getting increased notice, such as this feature in "[Hippie Homeowner](#)."

LET OUR LIGHT SHINE

Why Republicans don't talk about repealing Obamacare anymore

The “repeal and replace” mantra was a mainstay of Republican campaigns for four straight election cycles, propelling the GOP into the House majority in 2010, the Senate majority four years later and in 2016, helping to keep Republicans in power and elect President Trump. But thanks to your loud, persistent, and unyielding defense of the ACA, Republican candidates have dropped attacks on Obamacare as a campaign strategy. Read the [full discussion](#).
