

"Russia, if you're listening..."

Indivisible **HoCoMD**

Speech made July 27, 2016

This past week we saw Trump embarrass us as a nation once again. He continued his effort to repel our traditional allies at the NATO meeting and in Great Britain. He took special pains to single out and try to undermine the women leaders of Germany and England. He followed that with his customary practice of

promoting his business interests, this time at his golf resort in Scotland.

Prior to leaving for Europe he was informed by Rod Rosenstein that indictments would shortly be announced against 12 Russian intelligence agents. Despite knowing that, he still plans to meet with Putin tomorrow behind closed doors.

One of the indictments was remarkable in that it made note of the fact that *“on or about July 27, 2016, the conspirators attempted after hours to spearfish for the first time email accounts at a domain hosted by a third-party provider and used by Clinton’s personal office. At or around the same time, they also targeted 76 email addresses at the domain for the Clinton campaign.”*

This action was taken within hours of Trump’s call to “Russia, if you are listening. I hope you are able to find the 30,000 emails that are missing.”

ELECTIONS- MARYLAND

Our best long term strategy to control Trump is to elect more Democrats.

The primary is over. We know who the candidates are. We have created a list of Offices, Candidates and their websites. Review it [here](#). Next pick a candidate(s) and offer to help. The Red2Blue and Voting Rights Teams have created a list of ways to help. Find it on our website <http://indivisiblehocomd.org/action-teams/red2blue/help-compaings/>

On the website you will also find a growing list of articles to help answer the question of why Hogan and Kittleman are a bad

choice for Marylanders. <http://indivisiblehocomd.org/why-not-hogan-kittleman/>

Of course we hope Mueller will be successful in providing the path toward ridding us of Trump. But winning elections is something concrete we can do now.

Note to campaigns: If you will provide us a direct link to where volunteers can sign up with you, we will place it on the spreadsheet in place of the existing contact. Send to IndivisibleHoCoMD@gmail.com subject line Campaign Contact.

ELECTIONS - OUT OF STATE

Flip 2 seats at once!

Bucks County Pennsylvania has two races that we could flip from red to blue this November - [Scott Wallace](#) (Democratic candidate for Congress in PA-1) and [Tina Davis](#) (Democratic candidate for State Senate, in a district that's within PA-1).

If you'd like to canvass any weekend this month (including this coming weekend), please sign up [here](#). Don't worry if you've never canvassed before - they will pair you with an experienced canvasser. If you are worried about the children who were taken from their families, if you are worried about a Trump appointee overturning Roe v Wade and further eroding protections for voting rights, civil rights, and the environment then get out there and build the **BLUE WAVE!**

Calling all postcard writers!
