ACTIONS

**ELECTIONS-
MARYLAND**

If we're going to be ready by election day and win big in November, we need to start the hard work now.

We need volunteers to help with campaigns and get Democrats elected across Howard County! Ways that you can help include:

- **Canvassing communities for candidates**
- **Holding phonebanks to call potential voters**
- **Postcard/letter writing**
- **Organizing volunteers**
- **Delivering lawn signs**
- **Social Media**
- **Administration**

Please sign up here <http://hocodems.com/get-involved/> and indicate how you would like to help.

73rd Annual Howard County Fair

August 4-11, 2018

County Fair is just around the corner and we need your help to make it count towards the blue tsunami this fall. Here's how:

- 1) Sign up to **help staff the Democratic booth**. It's a terrific opportunity to meet people in the community, share the names and messages of our candidates, register voters, and to sign-up future volunteers.
- 2) We need **everyone** to join us for the parade to close out the fair on the 11th. A huge turnout will generate a lot of buzz and momentum for November. Let us know if you can bring your truck, creativity or if you just want to march along with the team. If that's not enough to entice you...there's also plenty of funnel cake, so what are you waiting for?!?

ELECTIONS - OUT OF STATE

Flip 2 seats at once!

Bucks County Pennsylvania has two races that we could flip from red to blue this November - [Scott Wallace](#) (Democratic candidate for Congress in PA-1) and [Tina Davis](#) (Democratic candidate for

State Senate, in a district that's within PA-1).

If you'd like to canvass any weekend this month (including this coming weekend), please sign up [here](#). Don't worry if you've never canvassed before - they will pair you with an experienced canvasser. If you are worried about the children who were taken from their families, if you are worried about a Trump appointee overturning Roe v Wade and further eroding protections for voting rights, civil rights, and the environment then get out there and build the **BLUE WAVE!**

Calling all postcard writers!

Don't like knocking on doors?

There are hundreds of Democrats in Western Howard County and Pennsylvania we need to reach, and postcards are one of the ways to make contact. Email euk369@gmail.com to join the postcard brigade!

IMMIGRATION

Mid-July and **2600**
children still separated

from parents by Trump policies.

IndivisibleHoCoMD Immigration Team

will be holding the Gorman Bridge Overpass Demonstrations every Friday in July from 4-7 pm until all children are returned. Please come and help us keep the pressure on the Trump administration to reunite the children that the Trump Administration took from their families.

Join us on the Gorman Bridge overpass of Route 95!

LET OUR LIGHT SHINE

Young people are registering to vote in huge numbers

The March for Our Lives teens said they'd #VoteThemOut, and a new study suggests they could be poised to do just that. According to the political data firm TargetSmart, the percentage of newly registered voters who are under the age of 30 has grown significantly in a number of key battleground states since the February school shooting in Parkland, Florida. The surge could have big implications in this fall's fight for control of Congress.
