## LET OUR LIGHT SHINE

On August 26, all across the country, Americans stood united in commitment to our freedom and our future to **demand**

that the U.S. Senate stop  
Judge Brett  
Kavanaugh's nomination  
for a lifelong  
appointment to the  
Supreme Court.

In Brett Kavanaugh, Donald Trump chose a nominee who not only has extremist, ultra-conservative legal views on a range of issues, but who has repeatedly argued that the Supreme Court should put the president above the law. **Donald Trump is at the center of a criminal investigation, and he should not be allowed to pick his own judge and jury.**
