## ENVIRONMENT

### **STORMING THE WALL:** Climate Change, Migration and Homeland Security

In his new book, *Storming the Wall* (City Lights Publishers, 2017), Todd Miller travels around the world connecting the dots between climate-ravaged communities, the corporations that are profiting from border militarization, and movements for environmental justice and sustainability.

Miller chronicles the growing system of militarized divisions between the rich and the poor, the environmentally secure and the environmentally vulnerable. Stories of violence, greed and crisis are juxtaposed with powerful examples of solidarity and hope.

**WHEN:** MARCH 3rd, 6:30 - 9:00PM

**WHERE:** Owen Brown Interfaith Center 7246 Cradlerock Way, Columbia, MD 21045

**LET OUR LIGHT SHINE**

**On Tuesday, February 20, Democrat Linda Belcher just won the reddest district we've flipped since Trump was elected!** Kentucky's 49th House District gave Donald Trump a colossal 72% of the vote in 2016, but Linda just turned it blue, winning the support of more than 68% of voters.
