ELECTIONS- OUT OF STATE

Weekend car pooling to York to knock on doors for **George Scott** continues.

George Scott (<https://georgescott4congress.com/>) is a terrific candidate for Congress in PA-10 – he's a retired military man and ordained pastor who strongly supports expanding the ACA to

include a Medicare option, unions, and gun safety.

IndivisibleHoCoMD members have been going up to help the campaign for 4 weekends now and report that it is well run and voter reception is excellent – a lot of people have not heard of George and want to learn more. This is the situation where door knocking has the biggest impact. Cars will leave from [5560 Sterrett Place, Columbia, MD 21044 - STE 105](#) at 10 am next Sunday (Sept 23) and will return by 4 pm. Email Liz (euk369@gmail.com) with questions or to sign up.

Calling all Spanish speakers! The York office for the George Scott campaign desperately needs Spanish speakers to make sure they are reaching all voters. So if you speak Spanish and have time to come door knock, you can have a huge impact.

IMMIGRATION

In addition to the **survey responses on immigration** from candidates for County Council, our website now has responses from candidates for **State Senator and Delegates**. Find it [here](#).

The US is holding a **record 12,800 migrant children in detention** in addition to the children coming to seek asylum. Read NYT article [here](#).

The Immigration Team plans to continue their effort to draw attention to the plight of separated families. They will be at the Gorman overpass this Friday, September 21th at 4:00 pm.

AGING AND PEOPLE WITH DISABILITIES

The Aging and People with Disabilities Action Team are asking for help in getting funds for **housing of elders** included in the federal budget. Read more about this on our [website](#).

EVENTS

From the review after premiering at the Toronto Film Festival: "Fahrenheit 11/9, which had its world premiere on Thursday night at the Toronto International Film Festival, was supposed to be Michael Moore's new movie to bring down President Donald Trump.

But that's the movie we thought Moore was making, not the movie he actually made.

The movie he made is bigger, messier, more sprawling and ultimately more rousing. It goes on long detours, changes course and leaves Trump off screen for huge chunks of time, as it turns into something that is less an anti-Trump diatribe than a demand for action."

We are encouraging members to attend the September 21st, 7:40 pm showing at the Regal Snowdon Square Theatre to enjoy it together. Afterward those interested can join for refreshments together at nearby Bertucci's. You can get [tickets online](#). But if you plan to join us at Bertucci's please [RSVP](#) so we have a head count.
