

Can't wait until 2020 to win an election?

Let's start now!

Help us elect **Pam Iovino** to the Pennsylvania State Senate. She is running in a special election for District 37, coming up **April 2nd**! Pam is a Pittsburgh native, a U.S. Navy veteran, and a longtime public servant. Her victory in this race will clear a path for Democrats to take back the chamber next year. We will be phone banking on Sunday, **March 31 from 3-5pm at 7050 Oakland Mills Rd, Columbia, MD 21046** to let registered Democrats know that there is a Special Election in their district and encourage them to come out and vote for Pam. Bring your phone and laptop or tablet – no experience necessary!

Please email janiceford2015@gmail.com and let me know if you will be coming so I can give a count to our Sister District liason.
