HR1/S1

Indivisible Howard County and **Our Revolution Howard County** are partnering to drive support for **H.R.1/S1**, the ***For The People Act*** - the most important and comprehensive pro-democracy legislation in over half a century, sponsored by one of our Maryland congressmen, John Sarbanes. If you want to protect voting rights, end gerrymandering, get rid of big money in politics, and restore transparency and integrity in government, you need to be there!
